

NEW YORK STATE
OFFICE OF CHILDREN AND FAMILY SERVICE

**DIRECTIONS FOR COMPLETING
THE ENVIRONMENTAL HAZARDS STATEMENT**

Fill in your name, site address, facility name and facility number in the fields provided on the statement.

Complete sections 1 or 2 on the Environmental Hazard Statement after reading the Environmental Hazard Guidance Sheet.

SECTION 1: NO ENVIRONMENTAL HAZARDS

If you DO NOT find any hazard, check NO. That means, to the best of your knowledge, there are NO potential environmental/ health hazards at or near your child care program site. No additional information is required from you at this point. Do not fill in the Environmental Hazards Information Form, Parts I and II.

If you need technical assistance, please contact an Office of Children and Family Services Representative.

(A site inspection completed by an OCFS representative *may result* in the need for further documentation or inspection.)

SECTION 2: YES, ENVIRONMENTAL HAZARDS

If you DO find any hazard, check YES. By checking yes you are claiming that, to the best of your knowledge, there MAY BE potential environmental/ health hazards known at the program site or the surrounding area. If you have checked yes, you must fill out the Environmental Hazard Information Form, Parts I and II.
