By Car

From New York City, take the Long Island Expressway (LIE, I-495) eastbound from the Queens Midtown Tunnel in Manhattan or the Throgs Neck Bridge or Whitestone Bridge in Queens to exit 62, and follow Nicolls Road (Route 97) north for 9 miles. The main entrance to the University is on the left.

Enter at **West Campus Main Entrance** (2nd Entrance on left off Nicolls Road) on to Entrance Drive (you will see the Charles B. Wang Center on your Right and the Administration Building/Administration Parking Garage to your Left). There is a light on Entrance Drive.

Make sure you are in the Right lane. You will be making a Right when you get to the light. When you make a Right, you will be on Circle Road. Take Circle Road until you reach Stadium Drive, which will be on your Left. Make a Left onto Stadium Drive and follow it around the bend. **The Brown Zone stadium lot will be on your right.**

From the Brown Zone stadium lot, you can walk down along Stadium Drive and make a right. You will then see the Stony Brook Union to your Right. You will cross over John S. Toll Drive and head past the Frank Melville Jr. Memorial Library, which is directly across John S. Toll Drive. Once you pass the Library, the SAC Center is across the way from the library.

By Train

Take the Long Island Railroad's Port Jefferson line from Penn Station in Manhattan to Stony Brook. The LIRR station is at the north end of the campus; bus service to the central campus is provided. Trains to and from Penn generally require transfers at Jamaica or Huntington. Hicksville is also a transfer point on some lines.
