

Secure Your TVs and Furniture!

- * Anchor TVs and furniture to prevent them from tipping.
- * Avoid keeping attractive items, such as toys and remotes, in places where kids might be tempted to climb and reach for them.
- * Store heavier items on lower shelves or in lower drawers.
- * Place TVs on a sturdy, low base and push the TV as far back as possible.
- * Recycle unused TVs; and if moving TVs to another location, anchor the TV to the wall.
