Your district must select a family share percentage from 10% to 35% to use in calculating the amount of family share. The weekly family share of child care costs is calculated by applying the family share percentage against the amount of the family’s annual gross income that is in excess of the State Income Standard divided by 52.

Family Share Percentage selected by the district 25%.

**Note:** *The family share percentage selected here must match the percentage entered in the Program Matrix in the Welfare Management System (WMS).*

If the district elects to use the OCFS-6025, *Application for Child Care Assistance*, and makes no changes other than adding the district name and contact information, the district only needs to inform OCFS DCCS that it will be using the OCFS-6025.

List below the names and attach copies of the local equivalent form(s) that the district would like to use.

**Chemung County uses the OCFS-6025, *Application for Child Care Assistance*, and makes no changes other than adding the district name and contact information.**

2a. Exceptions: There may be instances when the district may be unable to enact the additional standard, such as, the applicable person may reside outside of the district's jurisdiction, or the site of care may not be located within the district. In such cases, the district may create an exception to the applicability stated above.

**Note:** *The Child Care Facility System cannot track such exceptions and, therefore, the district remains responsible for notifying the applicable Enrollment Agency, using the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, that an additional standard is "not applicable" to the specific provider/person named on the referral list.*

Place a check mark below to show any exception to the applicability of this Local Additional Standard to programs or roles previously identified.

- b. The district will not apply this additional local standard when the *program's site of care is located outside* of the subsidy-paying district.
- c. The district will not apply this additional local standard when *the informal provider is younger than 18 years* of age.

their roles. Note that the district's procedures must be in accordance with 12-OCFS-LCM-01.

The Chemung County Child Care Council, acting as the district contractor includes in the enrollment package it distributes to parents, both a Notification of Additional Local Standard for a Chemung County Release of Local Criminal History Background Check which authorize the local criminal history background checks. The Notification of Additional Local Standard for a Local Criminal Background Check informs the provider that the individuals in the roles specified in question #2 above must sign the authorization, and, return the releases to the Enrollment Agency with the enrollment package. If any of the individuals identified in question #2 above refuses to sign the authorization, which would allow Chemung County Department of Social Services to arrange for the local criminal background check, the enrollment package will be considered incomplete. The enrollment process cannot move forward, and, consequently, the enrollment package will be withdrawn by the enrollment agency.

To initiate the additional standard check, per 12-OCFS-LCM-01, the Child Care Facility System will automatically generate the E-Notice, LE-CCFS LD-003 Legally-Exempt Additional Standard Referral Notification, to inform the local district that the additional standards check must be conducted. The designated district will run the CCFS report, LE Additional Local Standard Referral List to obtain the list of persons (as specified in question # 2 above) for whom Legally Exempt Additional Standard(s) Review(s) must be conducted and other pertinent information.

The Chemung County Child Care Council, acting as the district contractor contacts the local Law Enforcement agency, the Chemung County Sheriff to arrange the local criminal background check. Once completed, the results of the criminal background check are returned to the designated person at Chemung County Child Care council-

When the search results in a misdemeanor and/or felony conviction, the Chemung County Department of Social Services will provide the list of criminal convictions and the information pertaining to each conviction to the applicable enrollment agency. In accordance with the Guide to Enrollment, the EA will evaluate any discrepancies in the conviction(s) and the enrollment forms for the applicable individual(s). “

In accordance with 12-OCFS-LCM-01, Chemung County Department of Social Services will notify the applicable Enrollment agency within 25 days of the initial referral date by completing the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, and sending it to the applicable Enrollment Agency The determination: of whether the additional standard is “met”, or “not met” is made as follows:

The standard is “met” when the Chemung County Release Form for Local Criminal History Background Check is completed, signed by those that are required to do so and submitted to the EA and the required criminal background checks are conducted. The standard is “not met” when the applicable background checks can't be completed due to the lack of cooperation due to the provider or other persons required to participate, according to their roles as indicated in question #2.

their roles. Note that the district's procedures must be in accordance with 12-OCFS-LCM-01.

1. The local district and the district's contractor will include a "Notification of Chemung County Additional Local Standard for the Enrollment of Legally-Exempt Family Child Care Providers, In-Home Child Care Providers, and Legally-Exempt Group Providers Authorization & Release Form" in the enrollment packets it distributes to parents which will allow the Chemung County Department of Social Services (CCDSS) to conduct a check of the local child welfare records related to the child care attestations for the sole purpose of verifying the accuracy of the information submitted to the parent/caretaker per 18 NYCRR § 415.4(f)(7)(ii).
2. The individuals specified in question #2 above will be asked to sign and date the Notification of Chemung County Additional Local Standard for the Enrollment of Legally-Exempt Family Child Care Providers, In-Home Child Care Providers, and Legally-Exempt Group Providers Authorization & Release Form.
3. The signed release(s) is/are *required*, for all persons in the roles specified in question #2, for the enrollment packet to be considered complete. If any of the individuals checked in question #2 above refuses to sign the release, which would allow CCDSS to review only the existing local child welfare records related to the child care attestations, the enrollment package will be considered *incomplete* and the enrollment process cannot move forward and will be *withdrawn* by the enrollment agency in accordance with State policy. All the required authorizations must be received and recorded in the Child Care Facility System (CCFS), before the EA may determine the enrollment package to be complete.
4. To initiate the additional standards check, per NYS OCFS policy, the CCFS will automatically generate the referral for the applicable child care program types and individual roles, specified in question # 2 above, to the CCDSS. The CCDSS must run the Legally-Exempt Additional Standards Referral List in CCFS to obtain the list of enrolling/enrolled/re-enrolling Legally-Exempt Family Child Care Providers and other individuals for whom a determination is required. However, since CCFS cannot identify any "Exceptions" stated in question # 2, the CCDSS must identify the exceptions. When a referred individual is subject to an exception specified in question #2, the additional standard will not apply and the District will notify the applicable enrollment agency that the additional standard is "**not applicable**" to the individual.
5. The local district will conduct the check of the local database to determine whether an individual checked in question #2 above is an indicated subject of a child abuse or maltreatment report. When the local records check reveals that an individual specified in question #2 above is an indicated subject of a child abuse or maltreatment report, the Chemung County DSS will notify the child care provider that he/she has 10 calendar days to submit to CCDSS a copy of the "Child Abuse and Maltreatment History Attestation Form" provided to the parent/caretaker concerning the indicated incident(s). This form must be signed by the parent/caretaker acknowledging receipt of this information and the parent/caretaker's wish to use this child care provider.

## CHEMUNG COUNTY – 2017 APU

6. If the information regarding the indicated child protective report submitted by the provider on the Child Abuse and Maltreatment History Attestation Form does not substantially correlate with the information obtained during the local records check, the CCDSS will notify the provider that he or she has ten (10) calendar days to clarify the discrepancies in the information submitted to the district and parent/caretaker. Within the ten (10) calendar day period, the provider must submit information to CCDSS and the parent/caretaker that either substantially correlates with the information obtained by the district's local database check of the records related to the child care attestations or the provider submits information to the district which documents that the information obtained from the local database check of the records related to the child care attestations is inaccurate. If the provider fails to clarify the discrepancies the CCDSS will notify the Enrollment Agency that the additional standard is *“not met.”*
  7. If the information on the “Child Abuse and Maltreatment History Attestation Form” regarding the indicated child protective report submitted by the provider to the parent/caretaker and the local district correlates with the information obtained from the local database check, the District will notify the Enrollment Agency that the additional standard has been *“met.”* When the local records check reveals that an individual specified in questions #2 is not an indicated subject of a children abuse or maltreatment report, the CCDSS will notify the Enrollment Agency that the additional standard “met”.
  8. When a referred individual is subject to an exception specified in question #2, the additional standard will not apply and the District will notify the applicable enrollment agency that the additional standard is **“not applicable”** to the individual.
    - The district will not apply this additional local standard when the applicable person resides outside of the subsidy-paying district.
    - The district will not apply this additional local standard when the informal provider is younger than 18 years of age.
  9. For legally-exempt child care providers referred through CCFS and are specified in question #2, the CCDSS will determine whether the additional standard was **“met,” “not met”** or **“not applicable”** as stated above. The CCDSS will record the results on the *OCFS-2114 District Notification to Legally-Exempt Caregiver Enrollment Agency* form. This notification will be given/mailed to the applicable Enrollment Agency within 25 days of the CCFS referral date so that she/he may take any necessary action.
6. Indicate how frequently the additional local standard will be applied. Answer both questions.
- a. The Standard will be applied:
    - i.  At initial enrollment and re-opening
    - ii.  At each re-enrollment

## CHEMUNG COUNTY – 2017 APU

- b. The district will assess compliance with the additional local standard:
- i.  *During the enrollment review period*, and, the district will notify the Enrollment Agency of the results within 25 days from the E-Notice referral date.
  - ii.  *During the 12-month enrollment period*, and, the district will notify the Enrollment Agency of the results promptly. Note that this option is always applicable to an additional local standard requiring participation in CACFP.

7. Describe the justification for the additional local standard in the space below.

The local district wants to make sure that providers have told parents/caretakers about known indicated child protective histories for themselves and any other persons specified in #2. The additional standard supports 18 NYCRR § 415.4(f)(7)(ii), a State requirement for enrollment which requires the provider and relevant site persons have given the parent true and accurate information regarding indicated child protective reports. The additional standard verifies the provider is telling the truth on the enrollment form. This promotes safer child care for children by verifying that true and accurate information about a caregiver's history has been shared with the child(ren)'s parent/caretaker.
