Dear Deputy Commissioner Molnar,

I am writing to make changes to our County Plan, effective April 1, 2022. Specifically, we would like to make changes to Appendices N and R on the Amendment for Child Care Regulations, which provides options for additional absences.

We do not allow additional absences in our current plan; however, we would like to allow twenty-four additional absences, beginning April 1st. This would pertain only to Day Care Centers and providers of School-Age children with whom we have a contract.

Thus, the changes to Appendices N and R on the Amendment would be as follows:

- The box would be checked in Appendix N for the section reading “The district has chosen to make payments to child care providers for more than 24 absences (only check if electing to pay for absences in addition to the mandated 24 in Appendix R).”
- The “NO” box would be unchecked and the “YES” box would be checked for “Additional absences: 1. Our district will pay for additional absences.”
- “Additional Absences: 2. How many absences per year will the district pay?” would be:
 - o 24 - Required absences paid per year; 24 - Additional absences paid per year at district option; 48 - Total number of absences paid per year
- The “YES” box would be checked for “Additional Absences: 3. Our district will only pay for additional absences to providers with which the district has a contract or letter of intent.”
