APPENDIX M #1

Reasonable Distance, Recertification Period, Family Share, Very Low Income,
Federal and Local Priorities (Required)**I. Reasonable Distance**

Define “reasonable distance” based on community standards for determining accessible child care.

1. The following defines “reasonable distance”:

Reasonable distance is defined as the actual time that it takes to travel from the parent/caretaker's home and/or to or from the place of employment, educational institution or any other approved activity to the location of the child care provider. One way travel may be approved for up to one hour based on actual times and distance. Travel beyond one hour may be approved on a case by case basis by the Child Care Supervisor.

2. Describe any steps/consultations made to arrive at your definition: We replaced our previous definition and used a model by Chautauqua County.

II. Recertification Period

The district’s recertification period for low income child care cases is every (select one):

six months twelve months

III. Family Share

“Family Share” is the weekly amount paid towards the costs of the child care services by the child’s parent or caretaker. Your district must select a family share percentage from 10% to 35% to use in calculating the amount of family share. The weekly family share of child care costs is calculated by applying the family share percentage against the amount of the family’s annual gross income that is in excess of the State Income Standard divided by 52.

Family Share Percentage selected by the district 35%.

Note: *The family share percentage selected here must match the percentage entered in the Program Matrix in the Welfare Management System (WMS).*

IV. Very Low Income

Define “very low income” as it is used in determining priorities for child care benefits.

“Very Low Income” is defined as 150% of the State Income Standard.

V. Federal and Local Priorities

1. The district must rank the federally mandated priorities. Cases that are ranked 1 have the highest priority for receiving child care assistance. These rankings apply to case closings and case openings.

a. Very low income as defined in Section IV: Rank 1 Rank 2 Rank 3

b. Families with incomes up to 200% of the State Income Standard that have a child with special needs and a need for child care: Rank 1 Rank 2 Rank 3

ORLEANS COUNTY – 2017 APU

c. Families with incomes up to 200% of the State Income Standard that are experiencing homelessness: Rank 1 Rank 2 Rank 3

d. Does the district have local priorities?

Yes No

If yes, list below and rank beginning with Rank 4.

APPENDIX M #2

Case Openings, Case Closings, and Waiting List (Required)

I. Case Openings When Funds Are Limited

If a social services district does not have sufficient funds to provide child care services to all families who are applying, the district may decide to open certain categories of families as funds become available. The district must open federal priorities first. If the district identified local priorities, they must be opened next. **After the federal and local priorities**, identify the basis upon which the district will open cases if funds become available. Check only **ONE** of the options listed below and describe the process for opening.

1. Open based on **FIRST COME, FIRST SERVED**.
2. Open based on **INCOME**. Check one of the boxes below:
 - The district will open cases starting from the lowest income to the highest income.
 - The district will open cases based on income bands, starting from the lowest income band to the highest income band. List the income bands, starting from the band that will be opened first:
3. Open based on **CATEGORY OF FAMILY**.
List below the remaining category 2 and 3 families included in 18 NYCRR §415.2(a)(2) and 18 NYCRR §415.2(a)(3) that are not federal or local priorities in the order they will be opened first.
4. Open based on **INCOME AND CATEGORY OF FAMILY**.
List below the incomes (from lowest to highest income) or income bands (from lowest income band to highest income band), and the remaining category 2 and 3 families included in 18 NYCRR §415.2(a)(2) and 18 NYCRR §415.2(a)(3) that are not federal or local priorities in the order they will be opened first.
5. Open based on **OTHER CRITERIA**.
Describe the criteria the district will use to select cases to be opened:

ORLEANS COUNTY – 2017 APU

II. Case Closings When Sufficient Funds Are Not Available

If a social services district does not have sufficient funds to continue to provide child care assistance to all families in its current caseload, the district may decide to discontinue child care assistance to certain categories of families. The district must close federal priorities last. If the district identified local priorities, they must be closed next to last. **After the federal and local priorities**, describe the basis upon which the district will close cases if sufficient funds are not available.

If no priorities are established beyond the federally mandated priorities and all funds are committed, case closings for families that are not eligible under a child care guarantee and are not under a federally mandated priority must be based on the length of time they have received services (must choose #1 below).

Check only **one** of the options for closing listed below and describe the process for closing.

1. Close based on **AMOUNT OF TIME** receiving child care services.

Check **one** of the boxes below:

- The district will close cases starting from the shortest time receiving child care services to the longest time.
- The district will close cases starting from the longest time receiving child care services to the shortest time.

2. Close based on **INCOME**.

Check **one** of the boxes below:

- The district will close cases starting from the highest income to the lowest income.
- The district will close cases based on income bands, starting from the highest income band to the lowest income band. List the income bands starting from the band that will be closed first:

3. Close based on **CATEGORY OF FAMILY**.

List the category 2 and 3 families included in 18 NYCRR §415.2(a) that are not federal or local priorities in the order they will be closed.

4. Close based on **INCOME AND CATEGORY OF FAMILY**.

ORLEANS COUNTY – 2017 APU

included in 18 NYCRR §415.2(a) that are not federal or local priorities in the order they will be closed.

5. Close based on **OTHER CRITERIA**.

Describe the criteria the district will use to select cases to be closed:

III. Waiting List

The district will establish a waiting list when there are not sufficient funds to open all eligible cases.

No.

Yes.

APPENDIX M #3

Fraud and Abuse Control Activities and Inspections (Required)

I. Fraud and Abuse Control Activities

1. Describe below the criteria the district will use to determine which child care subsidy applications suggest a higher than acceptable risk for fraudulent or erroneous child care subsidy payments in addition to procedures for referring such applications to the district's front-end detection system.

Indicators to be used if a FEDS referral is applicable are:

- Documents or information provided are inconsistent with application, such as a different name used for signature.
 - Prior history of denial, case closing, or overpayments resulting from an investigation
 - Application inconsistent with prior case
 - No absent parent information or information is inconsistent with application
 - At case opening, or when there is a new legally exempt provider approved by CCR&R, an unannounced visit is done by the Fraud Investigator when deemed necessary.
2. Describe the sampling methodology used to determine which cases will require verification of an applicant's or recipient's continued need for child care, including, as applicable, verification of participation in employment, education, or other required activities.

At present the Daycare SWE verifies 100% of all activities and participation for all applicants and recipients.

3. Describe the sampling methodology used to determine which providers of subsidized child care services will be reviewed for the purpose of comparing the child care provider's attendance forms for children receiving subsidized child care services with any Child and Adult Care Food Program inspection forms to verify that child care was actually provided on the days listed on the attendance forms.

As was the case the past year, and due to low enrollment numbers, the daycare SWE is able to perform an annual review of records on 100% of providers to cross check that daycare was actually provided on the attendance forms.

II. Inspections of Child Care Provider Records and Premises

The district may choose to make announced or unannounced inspections of the records and premises of any provider/program that provides child care for subsidized children for the purpose of determining whether the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the social services district per 18 NYCRR §415.4(h)(3).

The district has the right to make inspections *prior to subsidized children receiving care* of any child care provider, including care in a home, to determine whether the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the district.

The district must report violations of regulations as follows:

ORLEANS COUNTY – 2017 APU

- Violations by a licensed or registered child care provider must be reported to the applicable Office of Children and Families (OCFS) Regional Office.
- Violations by an enrolled or enrolling legally-exempt child care provider must be reported to the applicable Enrollment Agency.

1. Does the district choose to make inspections of such child care providers/programs?

Note that if the district is paying for transportation, the Program Matrix in the Welfare Management System (WMS) should reflect this choice.

Yes, describe:

II. Differential Payment Rates

1. Districts must complete the Differential Payment Rate Percent (%) column in the table below for each of the four (4) differential payment rate categories. For the two (2) categories that require a state minimum five percent (5%) differential payment rate, the district must enter “5%” or, if it chooses, a higher rate up to 15%.

The other two (2) differential payment rate categories in the table below are optional. If the district chooses not to set differential payment rates, the district must enter zero. If the district chooses to set a differential payment rate, enter the appropriate percentage up to 15 percent (15%). Note that if the district selects a differential payment rate for nationally accredited programs, then that rate must be in the range of five percent (5%) to 15 percent (15%).

2. Payments may not exceed 25% above market rate. However, if your district wants to establish a payment rate that is more than 15% above the applicable market rate, describe below why the 25% maximum is insufficient to provide access within the district to accredited programs or care provided during non-traditional hours and/or care provided to children experiencing homelessness.

1. Indicate if the district is electing to establish a payment rate that is in excess of the enhanced market rate for legally-exempt family and in-home child care providers who have completed 10 or more hours of training annually and the training has been verified by the legally-exempt caregiver enrollment agency.

No.

Yes. Indicate percent, not to exceed 75% of the child care market rate established for registered family day care.

IV. Sleep

1. The following describes the standards the district will use to evaluate whether to pay for child care services while a caretaker that works a second or third shift sleeps, as well as any limitations pertaining to payment:

Sleep time will only be allowed for a parent or caretaker who works third shift. The parent or caretaker will be required to verify work schedules before sleep time will be approved. In a two parent/caretaker household where both parents/caretakers are employed and work separate shifts, the SWE will determine on a case by case basis the number of hours for which child care will be authorized for sleep time. For example, if the mother works the first shift (9-5) and the father works third shift (11-7) it is expected that the father will sleep when the mother returns home from work allowing the father 6 hours of time to sleep. If the mother returns home from work at 5:30 due to travel time and the father must leave for work at 10:30 due to travel time, 1-2 hours of child care may be approved so that the father could have 6 hours of sleep before leaving for work.

2. Indicate the number of hours allowed by your district per day (maximum number of hours allowed is eight).
