APPENDIX M #1

Reasonable Distance, Recertification Period, Family Share, Very Low Income,
Federal and Local Priorities (Required)**I. Reasonable Distance**

Define “reasonable distance” based on community standards for determining accessible child care.

1. The following defines “reasonable distance”:

Reasonable distance is child care available within a fifteen-mile radius of the parent's workplace.

2. Describe any steps/consultations made to arrive at your definition:

Sullivan County explores the issues of child care at initial assessment. A contract with the Center for Workforce Development exists to implement the County's employment services. Sullivan is a primarily rural county, necessitating flexibility regarding "reasonable distance."

II. Recertification Period

The district's recertification period for low income child care cases is every (select one):

six months twelve months

III. Family Share

“Family Share” is the weekly amount paid towards the costs of the child care services by the child's parent or caretaker. Your district must select a family share percentage from 10% to 35% to use in calculating the amount of family share. The weekly family share of child care costs is calculated by applying the family share percentage against the amount of the family's annual gross income that is in excess of the State Income Standard divided by 52.

Family Share Percentage selected by the district 35%.

Note: *The family share percentage selected here must match the percentage entered in the Program Matrix in the Welfare Management System (WMS).*

IV. Very Low Income

Define “very low income” as it is used in determining priorities for child care benefits.

“Very Low Income” is defined as 100% of the State Income Standard.

V. Federal and Local Priorities

1. The district must rank the federally mandated priorities. Cases that are ranked 1 have the highest priority for receiving child care assistance. These rankings apply to case closings and case openings.

a. Very low income as defined in Section IV: Rank 1 Rank 2 Rank 3

b. Families with incomes up to 200% of the State Income Standard that have a child with special needs and a need for child care: Rank 1 Rank 2 Rank 3

c. Families with incomes up to 200% of the State Income Standard that are experiencing homelessness: Rank 1 Rank 2 Rank 3

SULLIVAN COUNTY – 2017 APU

2. Does the district have local priorities?

Yes No

APPENDIX M #2

Case Openings, Case Closings, and Waiting List (Required)

I. Case Openings When Funds Are Limited

If a social services district does not have sufficient funds to provide child care services to all families who are applying, the district may decide to open certain categories of families as funds become available. The district must open federal priorities first. If the district identified local priorities, they must be opened next. **After the federal and local priorities**, identify the basis upon which the district will open cases if funds become available. Check only **ONE** of the options listed below and describe the process for opening.

1. Open based on **FIRST COME, FIRST SERVED**.
2. Open based on **INCOME**. Check one of the boxes below:
 - The district will open cases starting from the lowest income to the highest income.
 - The district will open cases based on income bands, starting from the lowest income band to the highest income band. List the income bands, starting from the band that will be opened first:
3. Open based on **CATEGORY OF FAMILY**.
List below the remaining category 2 and 3 families included in 18 NYCRR §415.2(a)(2) and 18 NYCRR §415.2(a)(3) that are not federal or local priorities in the order they will be opened first.

List below the incomes (from lowest to highest income) or income bands (from lowest income band to highest income band), and the remaining category 2 and 3 families included in 18 NYCRR §415.2(a)(2) and 18 NYCRR §415.2(a)(3) that are not federal or local priorities in the order they will be opened first.
5. Open based on **OTHER CRITERIA**.
Describe the criteria the district will use to select cases to be opened:

II. Case Closings When Sufficient Funds Are Not Available

If a social services district does not have sufficient funds to continue to provide child care assistance to all families in its current caseload, the district may decide to discontinue child care assistance to certain categories of families. The district must close federal priorities last. If the district identified local priorities, they must be closed next to last. **After the federal and**

SULLIVAN COUNTY – 2017 APU

local priorities, describe the basis upon which the district will close cases if sufficient funds are not available.

If no priorities are established beyond the federally mandated priorities and all funds are committed, case closings for families that are not eligible under a child care guarantee and are not under a federally mandated priority must be based on the length of time they have received services (must choose #1 below).

Check only **one** of the options for closing listed below and describe the process for closing.

1. Close based on **AMOUNT OF TIME** receiving child care services.
Check one of the boxes below:
 - The district will close cases starting from the shortest time receiving child care services to the longest time.
 - The district will close cases starting from the longest time receiving child care services to the shortest time.

2. Close based on **INCOME**.
Check one of the boxes below:
 - The district will close cases starting from the highest income to the lowest income.
 - The district will close cases based on income bands, starting from the highest income band to the lowest income band. List the income bands starting from the band that will be closed first:

3. Close based on **CATEGORY OF FAMILY**.
List the category 2 and 3 families included in 18 NYCRR §415.2(a) that are not federal or local priorities in the order they will be closed.

5. Close based on **OTHER CRITERIA**.
Describe the criteria the district will use to select cases to be closed:

SULLIVAN COUNTY – 2017 APU

III. Waiting List

The district will establish a waiting list when there are not sufficient funds to open all eligible cases.

No.

Yes.

APPENDIX M #3

Fraud and Abuse Control Activities and Inspections (Required)

I. Fraud and Abuse Control Activities

1. Describe below the criteria the district will use to determine which child care subsidy applications suggest a higher than acceptable risk for fraudulent or erroneous child care subsidy payments in addition to procedures for referring such applications to the district's front-end detection system.

The CCC's Eligibility Specialist (ES) meets face to face with subsidy applicants. All original documents submitted for the application are verified unless otherwise directed by the County. Referrals are made to the Special Investigations unit by the Child Care unit, the DFS fiscal office, Employment and TA/MA/SNAP workers.

2. Describe the sampling methodology used to determine which cases will require verification of an applicant's or recipient's continued need for child care, including, as applicable, verification of participation in employment, education, or other required activities.

Sullivan County conducts child care certifications every six months of all subsidy recipients. The recipient is required to provide verification of the need for continued child care services including, but not limited to, wage stubs, school verification and medical documents.

3. Describe the sampling methodology used to determine which providers of subsidized child care services will be reviewed for the purpose of comparing the child care provider's attendance forms for children receiving subsidized child care services with any Child and Adult Care Food Program inspection forms to verify that child care was actually provided on the days listed on the attendance forms.

Due to the small size of the County and the ES's familiarity with the child care providers and the families, the CACFP Coordinator, Registrar and Subsidy Specialist, who are all located in the same office, regularly confer if any information regarding the providers conflicts with their records. The providers' status is also discussed at monthly staff meetings. Legally exempt providers who are enrolled in CACFP are required to provide a schedule of when the children attend and what meals are being provided. The Child Care Council does an unannounced visit with the provider three times per year. The provider must provide verification of the meals served and the children's attendance.

II. Inspections of Child Care Provider Records and Premises

The district may choose to make announced or unannounced inspections of the records and premises of any provider/program that provides child care for subsidized children for the purpose of determining whether the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the social services district per 18 NYCRR §415.4(h)(3).

The district has the right to make inspections *prior to subsidized children receiving care* of any child care provider, including care in a home, to determine whether the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the district.

The district must report violations of regulations as follows:

SULLIVAN COUNTY – 2017 APU

- Violations by a licensed or registered child care provider must be reported to the applicable Office of Children and Families (OCFS) Regional Office.
- Violations by an enrolled or enrolling legally-exempt child care provider must be reported to the applicable Enrollment Agency.

1. Does the district choose to make inspections of such child care providers/programs?

Additional Local Standards for Child Care Providers (Optional)

- I. The district may propose local standards in addition to the State standards for legally-exempt providers who will receive child care subsidies issued by the district. This appendix must be completed for **each** additional local standard that the district wants to implement.

The district must coordinate with the local Enrollment Agency, including, but not limited to:

- Informing the Enrollment Agency of the intent to request an additional standard.
- Developing the stepwise process referenced in Question 5.

2a. Exceptions: There may be instances when the district may be unable to enact the additional standard, such as, the applicable person may reside outside of the district’s jurisdiction, or the site of care may not be located within the district. In such cases, the district may create an exception to the applicability stated above.

Note: *The Child Care Facility System cannot track such exceptions and, therefore, the district remains responsible for notifying the applicable Enrollment Agency, using the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, that an additional standard is “not applicable” to the specific provider/person named on the referral list.*

Place a check mark below to show any exception to the applicability of this Local Additional Standard to programs or roles previously identified.

- a. The district will not apply this additional local standard when the applicable person *resides* outside of the subsidy-paying district.
- b. The district will not apply this additional local standard when the *program’s site of care is located outside* of the subsidy-paying district.
- c. The district will not apply this additional local standard when *the informal provider is younger than 18 years* of age.

3. Districts are responsible for implementation of the additional local standard unless they have a formal agreement or contract with another organization. Check the organization that will be responsible for the implementation of the additional local standard.

4. Are there any fees or other costs associated with the additional local standard?

- Yes No

Note: *Costs associated with the additional local standard cannot be passed on to the provider.*

Include how the district will retrieve referrals from CCFS, communicate with providers and other applicable persons, determine compliance with the additional local standard, inform the Enrollment Agency whether the additional local standard has been “met,” “not

met”, or is “not applicable”, and monitor its timeliness. Include all agencies involved and their roles. Note that the district’s procedures must be in accordance with 12-OCFS-LCM-01.

To initiate the additional standards check, per 12-OCFS-LCM-01, the Child Care Facility System will automatically generate the E-Notice, LE-CCFS LD-003 Legally-Exempt Additional Standard Referral Notification, to inform the local district that the additional standards check must be conducted. The designated district must run the CCFS report, LE Additional Local Standard Referral List to obtain the list of persons (as specified in question # 2 above) for whom Legally Exempt Additional Standard(s) Review(s) must be conducted and other pertinent information.

The social services district (SSD) subcontractor will conduct a site visit to 20% of legally exempt in-home child care providers on an annual basis in order to verify the provision of care and to verify that the information provided in the enrollment package is true. Attempted inspections will only count when the inspector determines that the address given for the site of care does not exist and the provider enrollment was terminated; OR the inspection was attempted but the provider refused the agency access to the residence and as a result the provider enrollment was terminated.

The SSD subcontractor will verify that care is being provided as represented on the enrollment form. The items that the SSD subcontractor will verify include, but are not limited to: the type of legally-exempt care provided; that care is being provided at the approved location, by the approved provider, with the approved number of children in care; that the provider has accurately reported any volunteers and employees and, if the employer is a legally-exempt family child care program, household members.

They will also verify that the standards attested to in the enrollment package are being met. If the site visit reveals a discrepancy, the SSD subcontractor will refer the provider to the EA for a complaint investigation and the EA will create a corrective action procedure as appropriate.

In accordance with 12-OCFS-LCM-01, Sullivan County Department of Social Services will complete the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, and send it to the applicable Enrollment Agency to notify the Enrollment Agency of the determination of: “Met,” “Not Met” or “Not Applicable.”

The additional standard is “met” when the provider cooperates with the site visit and the verification process. The additional standard is “not met” when the provider does not cooperate.

The additional standard is “Not Applicable” when the program is not selected as part of the 20% sample.

SULLIVAN COUNTY – 2017 APU

6. Indicate how frequently the additional local standard will be applied. Answer both questions.

a. The Standard will be applied:

i. At initial enrollment and re-opening

ii. At each re-enrollment

b. The district will assess compliance with the additional local standard:

i. *During the enrollment review period*, and, the district will notify the Enrollment Agency of the results within 25 days from the E-Notice referral date.

ii. *During the 12-month enrollment period*, and, the district will notify the Enrollment Agency of the results promptly. Note that this option is always applicable to an additional local standard requiring participation in CACFP.

7. Describe the justification for the additional local standard in the space below.

Implementation of the additional standard will occur at re-enrollment of existing enrolled providers and with all new enrollments. Implementation will also create an opportunity to better monitor legally exempt child care homes for verification of care as well as quality of care.

A. Legally-exempt family child care provider caring for a subsidized child an average of 30 or more hours a week is required to participate in the Child and Adult Care Feeding Program (CACFP) as a condition of enrollment to provide child care subsidized by the Sullivan County Department of Family Services (DFS). All legally-exempt family child care providers will be required to sign the Sullivan County Legally Exempt Family Child Care Additional Standard Acknowledgment Form to initiate the enrollment process. The enrollment packet for any provider of legally-exempt family child care will be considered "incomplete" if the Sullivan County Legally Exempt Family Child Care Additional Standard Acknowledgment Agreement Form is not signed and submitted with the enrollment packet.

Through E-Notices and reports, the Child Care Facility System will notify the Sullivan County Department of Social Services of all enrolling/enrolled/re-enrolling family-child care providers for whom the additional standard process may be applicable. The Sullivan County Department of Social Services must run the LD Additional Standard Referral List in CCFS to obtain the list of enrolling/enrolled/re-enrolling family-child care providers for whom a determination of applicability is required.

The Sullivan County DFS will consider a legally-exempt family child care provider to be "compliant" and meeting the Sullivan County additional local enrollment standard of participation in CACFP when:

- 1) The legally-exempt family child care provider caring for a subsidized child an average of 30 or more hours per week has completed, signed, dated and submitted the Sullivan County Legally-Exempt Family Child Care Additional Standard Acknowledgement Agreement form as a part of the "Enrollment Form for Provider of Legally-Exempt Family Child Care" (OCFS-LDSS-4699) to the EA, which is the Sullivan County Child Care Council, Inc. (SCCCC); and
- 2) The legally-exempt family child care provider caring for a subsidized child an average of 30 or more hours per week has enrolled with the CACFP program including signing the CACFP Pre-Approval checklist (CACFP-106) and the Continuous Application and Agreement for Day Care Homes Participation (DOH-3705) and has completed the follow-up visit with CACFP, all within the CACFP required time frames: and
- 3) The legally-exempt family child care provider caring for a subsidized child an average of 30 or more hours per week fully cooperates with all requirements of CACFP, including inspections and /or follow-up visits: and

SULLIVAN COUNTY – 2017 APU

4) The legally-exempt family child care provider caring for a subsidized child an average of 30 or more hours per week begins claiming CACFP reimbursement no later than the month following the sign-up date and continues to submit monthly claims to CACFP on a timely basis.

B. The Sullivan County Child Care Council, Inc. will consider the legally-exempt family child care provider "non-compliant" and NOT meeting the Sullivan County additional local enrollment standard for participation in CACFP when:

1) The legally-exempt family child care provider does not submit a completed Sullivan County Legally-Exempt Family Child Care Additional Standard Acknowledgement Agreement form; and/or

2) The legally-exempt family child care provider caring for a subsidized child an average of 30 or more hours per week refuses to sign up for CACFP; and/or

3) The legally-exempt family child care provider caring for a subsidized child and average of 30 or more hours per week does not cooperate with any part of the CACFP enrollment process; and/or

4) The legally-exempt family child care provider caring for a subsidized child an average of 30 or more hours per week does not remain in compliance with the CACFP regulations; and/or

5) The legally-exempt family child care provider caring for a subsidized child an average of 30 or more hours per week fails to cooperate with any CACFP inspection or home visit; and/or

6) The legally-exempt family child care provider caring for a subsidized child an average of 30 or more hours per week fail to submit monthly claims to CACFP on a timely basis; and/or

7) The legally-exempt family child care provider, which was not initially required to participate in CACFP due to providing child care an average of less than 30 hours per week, fails to notify the EA of an increase in hours of care which would require the legally-exempt family child care provider to comply with the additional standard; and/or

8) The legally-exempt family child care provider which changes location of care and provides an average of 30 hours or more of child care per week fails to notify the Sullivan County DFS, the EA and CAFCP of the change.

Any legally-exempt family child care provider caring for a subsidized child an average of 30 or more hours per week which does not participate with the Sullivan County additional local standard for enrollment described above is non-compliant and considered to be ineligible to provide subsidized child care to Sullivan County DFS. No subsidy payments will be issued for care provided by such providers who are non-compliant with the requirement to participate in CACFP. The provider is noncompliant with the

SULLIVAN COUNTY – 2017 APU

additional standard for participation with CACFP when the provider has signed the legally-exempt family child care additional standard agreement and the provider fails to participate fully with CACFP. When the provider is non-compliant the additional standard is not met and the provider will not be eligible for payment for child care services provided retroactive to the first date child care services were provided.

The standard will be considered “not applicable” when the Legally-exempt family child care provider is NOT caring for a subsidized child an average of 30 or more hours a week.

In accordance with 12-OCFS-LCM-01, Sullivan County Department of Social Services will complete the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, and send it to the applicable Enrollment Agency to notify the Enrollment Agency of the determination of: “Met”, “Not Met” or “Not Applicable.”

6. Indicate how frequently the additional local standard will be applied. Answer both questions.
- a. The Standard will be applied:
 - i. At initial enrollment and re-opening
 - ii. At each re-enrollment
 - b. The district will assess compliance with the additional local standard:
 - i. *During the enrollment review period*, and, the district will notify the Enrollment Agency of the results within 25 days from the E-Notice referral date.
 - ii. *During the 12-month enrollment period*, and, the district will notify the Enrollment Agency of the results promptly. Note that this option is always applicable to an additional local standard requiring participation in CACFP.

7. Describe the justification for the additional local standard in the space below.

This additional standard will aid in improving the health and nutrition of children cared for by Legally Exempt Family Child Care Providers receiving subsidy payments within the district. Implementation of the additional standard will also create an opportunity to better monitor Legally Exempt Family Child Care homes for verification of care as well as quality of care.

II. Differential Payment Rates

1. Districts must complete the Differential Payment Rate Percent (%) column in the table below for each of the four (4) differential payment rate categories. The other two (2) differential payment rate categories in the table below are optional. If the district chooses not to set differential payment rates, the district must enter zero. If the district chooses to set a differential payment rate, enter the appropriate percentage up to 15 percent (15%). 2. Payments may not exceed 25% above market rate. However, if your district wants to establish a payment rate that is more than 15% above the applicable market rate, describe below why the 25% maximum is insufficient to provide access within the district to accredited programs or care provided during non-traditional hours and/or care provided to children experiencing homelessness.

III. Enhanced Market Rate for Legally-Exempt Family and In-Home Child Care Providers

1. Indicate if the district is electing to establish a payment rate that is in excess of the enhanced market rate for legally-exempt family and in-home child care providers who have completed 10 or more hours of training annually and the training has been verified by the legally-exempt caregiver enrollment agency.

No.

Yes. Indicate percent, not to exceed 75% of the child care market rate established for registered family day care.

IV. Sleep

1. The following describes the standards the district will use to evaluate whether to pay for child care services while a caretaker that works a second or third shift sleeps, as well as any limitations pertaining to payment:

Sullivan County will pay up to 5 hours of sleep if a parent/ caretaker works the second or third shift. The parent/caretaker would have to inform the County of the details of who is providing the child care and where it is provided. A case-by-case decision would be made based on all information such as: are there 2 parents/caretakers in the home to split the child care duties, are the children in school, what shifts do the parents/caretakers each work, is the caretaker a single parent, etc. If a single parent/caretaker is working the second shift, we would allow the child care provider to keep the child so that the single parent/caretaker could have some sleep time.

2. Indicate the number of hours allowed by your district per day (maximum number of hours allowed is eight).
