The development of pre-vocational skills includes the provision of services to parents to gain their support as their child prepares to go to work.

WORK READINESS SKILLS ASSESSMENT

Prior to receiving Work Readiness Skills Training, an individual will participate in a Work Readiness Skills Assessment. The Assessment will:

1. Determine a consumer's ability to actively participate in Work readiness Training;

WORK READINESS SKILLS TRAINING

WORK EXPERIENCE TRAINING

Consumers starting work experience training services participate in a time-limited experience which: (1) provides the consumer with an understanding of the work environment, and work-related behaviors, work skills and work experience; and (2) provides NYSCB with information on how the consumer performed in the work setting.
