

# CONNECTIONS Bulletin

## Sex Trafficking Report Reminders

As a reminder, the following four sex trafficking reports are available in the OCFS Data Warehouse, which are intended to assist counties in monitoring sex trafficking assessment completion. Counties are encouraged to use these reports regularly to monitor completion of required screenings, connection to services, and notification to law enforcement in accordance with 15-OCFS-ADM-16.

### Children with Rapid Assessments: At Risk vs. Not Risk Indicators

<b>Report Path</b>
Team content > Global Reports > OCFS > OCFS Data Warehouse > Sex Trafficking Reports>
<b>Description</b>
<p><b><u>This report is based on completion of the rapid assessment. It has the following filters:</u></b></p> <ul style="list-style-type: none"> <li>• Date (based on active program choices on that date)</li> <li>• Program choices (choose one or more of the program choices)</li> <li>• County (defaults to your county)</li> </ul> <p><b><u>This report provides the following data for the parameters selected:</u></b></p> <ul style="list-style-type: none"> <li>• Total number of unique children with active program choices on the date selected</li> <li>• Number of children for whom a rapid assessment was completed</li> <li>• Number of children for whom a rapid assessment was not completed</li> <li>• <b>For those with completed rapid assessments:</b> <ul style="list-style-type: none"> <li>○ Number of children identified as at risk (of sex trafficking)</li> </ul> </li> </ul>

- Number of children identified as no risk

#### Drill Through

Yes

#### Purpose

- Provide aggregate data
- For case management purposes:
  - Identify children for whom a rapid assessment was **not** completed
  - Identify children at risk of sex trafficking

## Children with Rapid Assessments: # with and without Comprehensive

#### Report Path

Team content > Global Reports > OCFS > OCFS Data Warehouse > Sex Trafficking Reports>

#### Description

**This report includes children that had a rapid assessment completed. It has the following filters:**

- Program choices (choose one or more of the program choices)
- Start and end dates associated with the program choices selected
- County (defaults to your county)

**This report provides the following data for the parameters selected:**

- Number of children with rapid assessments (see # Children with Any Assessments)
- Number of children with rapid assessments at risk
- Number of children identified as at risk without a comprehensive assessment

#### Drill Through

Yes

#### Purpose

- Provide aggregate data

- For case management purposes:
  - Identify children at risk of sex trafficking per rapid assessment
  - Identify children for whom a comprehensive assessment **has not** been completed

## **Children with Comprehensive Assessments: Outcomes/Indicators**

<b>Report Path</b>
Team content > Global Reports > OCFS > OCFS Data Warehouse > Sex Trafficking Reports>
<b>Description</b>
<p><b><u>This report includes children that had a comprehensive assessment completed. It has the following filters:</u></b></p> <ul style="list-style-type: none"> <li>• Program choices (choose one or more of the program choices)</li> <li>• Date to anchor the program choices on (the report will be based on selected program choices active as of that date)</li> <li>• County (defaults to your county)</li> </ul> <p><b><u>This report provides the following data for the parameters selected:</u></b></p> <ul style="list-style-type: none"> <li>• Number of unique children that had the selected program choices open on the selected date</li> <li>• Number of unique children that had a comprehensive assessment completed at some point</li> <li>• <b>For those with completed comprehensive assessments:</b> <ul style="list-style-type: none"> <li>○ Total number of assessments completed</li> <li>○ Number identified as high risk</li> <li>○ Number identified as medium risk</li> <li>○ Number identified as no risk</li> <li>○ Number identified as victim</li> </ul> </li> </ul>
<b>Drill Through</b>
Yes
<b>Purpose</b>
<ul style="list-style-type: none"> <li>• Provide aggregate data</li> <li>• For case management purposes:           <ul style="list-style-type: none"> <li>○ Identify children at risk <i>who require service provision related to the identified indicator(s)</i></li> </ul> </li> </ul>

## Comprehensive Assessment: Summary Report with Law Enforcement Notification Information

Report Path
Team content > Global Reports > OCFS > OCFS Data Warehouse > Sex Trafficking Reports>
Description
<p><b><u>This report includes children that had a comprehensive assessment completed. It has the following filters:</u></b></p> <ul style="list-style-type: none"><li>• Program choices (choose one or more of the program choices)</li><li>• Date to anchor the program choices on (the report will be based on selected program choices active as of that date)</li><li>• County (defaults to your county)</li></ul> <p><b><u>This report provides the following data for the parameters selected:</u></b></p> <ul style="list-style-type: none"><li>• Number of unique children that had the selected program choices open on the selected date</li><li>• Number of unique children that had a comprehensive assessment completed at some point<ul style="list-style-type: none"><li>○ Number of unique assessments completed on these children</li><li>○ Number of assessments where the child was identified as a victim<ul style="list-style-type: none"><li>▪ Number for whom a law enforcement notification was made</li><li>▪ Number for whom a law enforcement notification was made within 24 hours</li></ul></li></ul></li></ul>
Drill Through
Yes
Purpose
<ul style="list-style-type: none"><li>• Provide aggregate data</li><li>• For case management purposes:<ul style="list-style-type: none"><li>○ Identify children for whom law enforcement notification was <b>not</b> made</li><li>○ Identify children for whom law enforcement notification was made, but not within 24 hours</li></ul></li></ul>
