**Section 11: On-Site Director Certification** - Please be sure to read *Section 12* before signing.

<b>To the best of my knowledge, I hereby affirm that the information provided on <i>Part A</i> of this form is true and complete. I understand that the information is subject to verification and that making a materially false statement or affirmation may result in denial or termination of the enrollment, social services terminating child care subsidy payments, and/or legal action against the provider for deliberately presenting false or misleading information. I certify that I have read, attest, and agree to the On-site Director Attestations and Agreements in <i>Section 12</i> and am aware of the above disclaimer.</b>

**Section 12: On-Site Director Attestations and Agreements**

By signing this enrollment application, the on-site director attests and agrees to the following:

- I have reviewed the Health and Safety Requirements listed in 18 NYCRR 18 415 and agree to meet and continue to meet all requirements.
- The program meets and will continue to meet the following minimum staff-to-child ratios and maximum group size requirements unless a more stringent standard is required by law:

	Staff-to-Child Ratios by Age of Children		
	3 years	4 years	5 to 12 years
<b>Seated Activities</b>	1:20	1:20	1:25
<b>Non-Seated Activities</b>	1:10	1:12	1:25
<b>Maximum Group Size Total</b>	30 children	36 children	50 children

- I understand when children are cared for in mixed age groups, the staff-to-child supervision ratio and maximum group size applicable to the youngest child in the group must be followed.
- On a daily basis, the provider/program maintains, at the child care program, current and accurate attendance records on each child being cared for, minimally including: the date, arrival time, departure time, and if absent for the full day, a note that the child is absent.
- I understand that enrollment of this program to provide subsidized child care will only apply to the specific program located at the site specified in **Section 1**. If the program relocates temporarily or permanently to a child care location different from the one given on this form, the enrollment will end. To remain eligible to provide subsidized child care, I must submit a new enrollment request for the new site to the enrollment agency and begin the enrollment process anew.
- I understand that I am required to inform the enrollment agency promptly if I add any new employees or volunteers.
- I understand that if in the future there are new employees or volunteers, all staff will be subject to comprehensive background checks and are not permitted to be employed or present at the program until the Office notifies the program.
- I understand that the decision to enroll in the program is based on the facts provided on the enrollment form, and when there is a change to any of the information I have attested to, my eligibility to provide subsidized child care may also change. I will inform the enrollment agency immediately if there are changes to any information provided on the enrollment form or changes to the attachments.
- I understand the enrollment agency and the local social services district will exchange information regarding the child care program's enrollment status.
- I understand that the program must be enrolled with the enrollment agency before any payment can be made.
- The program agrees to maintain and provide accurate attendance records as required by the local social services district.
- The program agrees to collect the family share if instructed to do so by the local social services district. The program will immediately notify the local social services district if the parent/caretaker fails to pay the required family share.
- I understand that I must not charge parents more for the cost of child care for children receiving subsidy than for children not receiving subsidy.
- I understand that if the enrollment agency determines the program cannot be enrolled, then the local social services district cannot issue payment for care provided. The program will not be paid by the local social services district for any child care that it provides to a child(ren) receiving a child care subsidy while the program is deemed an ineligible provider by the enrollment agency. The parent/caretaker has the right and responsibility to decide whether he/she wants to use the program. If the parent/caretaker chooses to use the program when it cannot be enrolled, I can hold the parent/caretaker responsible to pay the program for the child care.

- I understand child care assistance cannot be authorized for a child under 3 years of age for child care provided by legally exempt group care except for
  - child care programs located on federal or tribal property operated in compliance with applicable federal or tribal laws and regulations for such child care programs; or
  - a child who is at least 2 years of age at the beginning of the school year but will turn 3 years of age on or before the applicable calendar date for which a child must be at least 5 years of age to be eligible for admission to school. Such a child shall be considered 3 years of age for the purposes of staff-to-child ratio and maximum group size.
- I agree to operate in compliance with all applicable state and local laws.
- I understand and agree the program will allow the parent/caretaker unlimited and on-demand access including the following:
  - Access to the parent/caretaker's child(ren)
  - The right to inspect at any time during hours of operation all parts of the facility used for child care or which could present a hazard to the health and/or safety to the child(ren)
  - Access to the staff caring for the child(ren)
  - Access to written records about the parent's/caretaker's child(ren) except when otherwise restricted by law
- I understand and agree that the program will allow representatives of the enrollment agency, the local social services district and the State of New York access to the premises where subsidized child care is provided to confirm that information on my enrollment form and/or on attendance forms is true and accurate, and that child care services are being provided as listed on these forms. I understand that if I do not allow access, then the program will be considered ineligible, the program's enrollment will be terminated, and the program will not be paid by the local social services district.
- I understand and agree to meet all of the conditions stated on this form for as long as I am providing child care. I understand that I am required to inform the enrollment agency and the parent/caretaker if there is a change in the information stated on the enrollment form.
- I agree to review each **Part B, Enrollment Form for Parent/Caretaker for Legally Exempt Group Child Care Program**, for each child enrolled in this group program.
- I understand the decision to enroll in the program is based on the facts provided and attested to on the enrollment form. Providing false information or deliberately concealing information may result in an inaccurate determination of my eligibility to provide subsidized child care, and/or denial or termination of enrollment. If I provide child care services while enrolled under false pretenses, or while I am an ineligible child care provider, the local social services district may refuse to issue child care subsidy payments, terminate child care subsidy payments, take legal action against the program or the parent/caretaker, and the program may be required to repay any money I receive for such services.

**PART B: ENROLLMENT FORM FOR PARENT/CARETAKER FOR LEGALLY EXEMPT GROUP CHILD CARE PROGRAM**

- I have reviewed the Health and Safety Requirements listed in the **18 NYCRR 415** and agree that the provider must meet and continue to meet all requirements.
- My child care program must give me unlimited and on-demand access to the following, including:
