Required Performance Targets
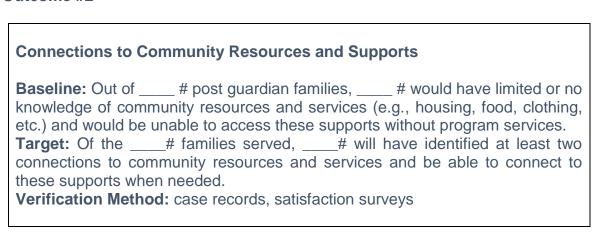

Applicants must complete Performance Targets #1-6, using **RFP Attachment C, Required Performance Targets, by downloading it from the "Pre-Submission Uploads" section in your grant application**. After completion, upload (attach) your completed form to either the "Pre-Submission Uploads" section of the application, or the "Program-Specific Questions" section of your grant application, which is where you will find this question. Applicants may include additional targets as they deem necessary.

Post Guardianship Outcomes

Outcome #1

Safety, Stability and Well-Being for Post Guardianship Children

Baseline: Out of ____ # children, ____ # children would be at risk of placement outside the home without post guardianship program services.
Target: Of the ____# children projected to be served, ____# will be safely maintained in the guardianship home or returned to parents.
Verification Method: ACE assessment, family needs scale, case records, and progress notes

Outcome #2

Connections to Community Resources and Supports

Baseline: Out of ____ # post guardian families, ____ # would have limited or no knowledge of community resources and services (e.g., housing, food, clothing, etc.) and would be unable to access these supports without program services.
Target: Of the ____# families served, ____# will have identified at least two connections to community resources and services and be able to connect to these supports when needed.
Verification Method: case records, satisfaction surveys

Outcome #3

Guardians Will Learn Effective Parenting Strategies That Promote Children's Well-Being

Baseline: Out of _____ # guardians, _____ # need information and training to address children's needs and improve parenting strategies to enhance well-being.

Target: By participating in offered parent training and informational sessions (individual/groups), _____# guardians will demonstrate effective parenting strategies/techniques that address the children's social, emotional, behavioral and developmental needs and improve protective factors.

Verification Method: case records, progress notes and customer satisfaction surveys

Post Adoption Outcomes

Outcome #4

Safety, Stability and Well-Being for Adoptive Children

Baseline: Out of _____ # children, _____ # would be at risk of placement outside the family home without post adoption program services.

Target: Of the _____# children projected to be served, _____# will be safely maintained in the adoptive home

Verification Method: ACE and family needs assessments, case records, and progress notes

Outcome #5

Connections to Community Resources and Supports

Baseline: Out of _____ # adoptive families, _____ # would have limited or no knowledge of community resources and post adoption services.

Target: Of the _____# families served, _____# will have identified at least two connections to community resources and services and be able to connect to these supports when needed.

Verification Method: case records, progress notes, satisfaction surveys

Outcome #6

Post Adoptive Parents Will Learn Effective Parenting Strategies That Promote Children's Well-Being

Baseline: Out of _____ # adoptive parents, _____ # need information and training to address children's needs and improve parenting strategies to enhance well-being.

Target: By participating in offered parent training and informational sessions (individual/groups), _____# will demonstrate effective parenting strategies/techniques that address the children's social, emotional, behavioral and developmental needs.

Verification Method: case record, progress notes, customer satisfaction survey
