

Invest in NY: Child Care Deserts Regional Information Session Schedule

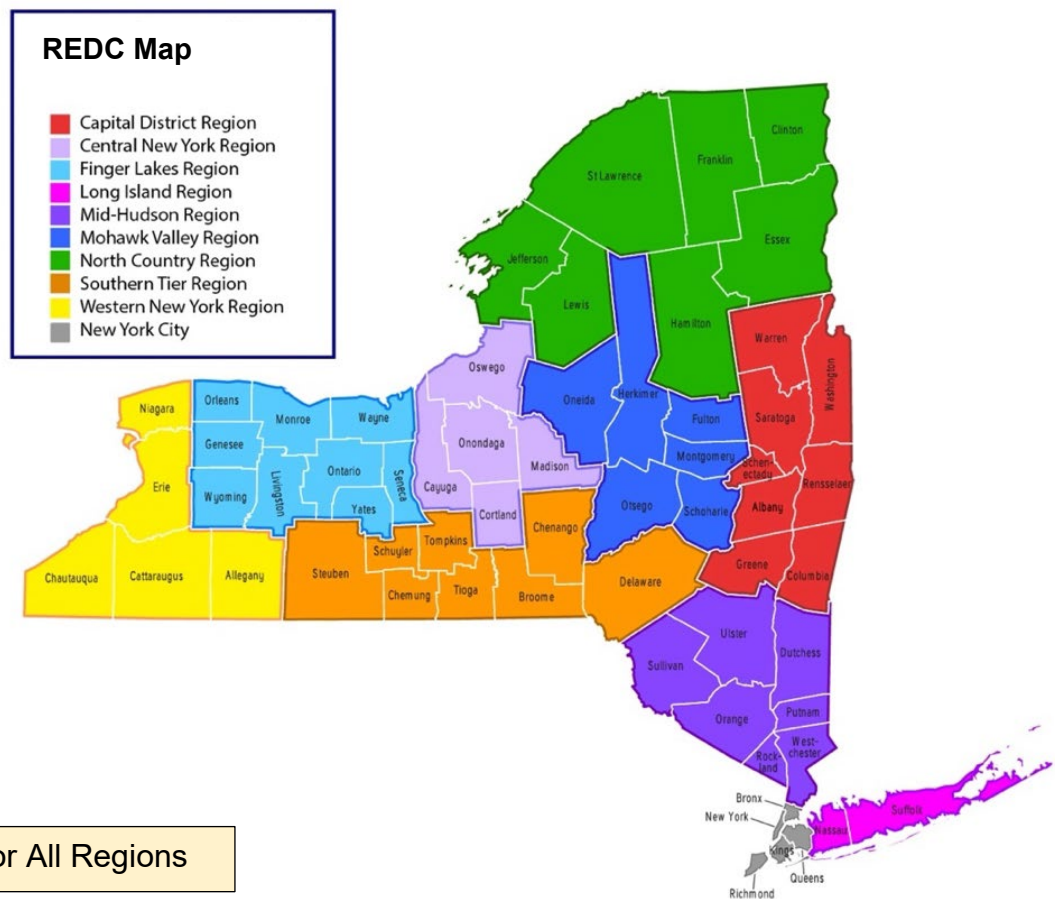

Are you thinking of opening a child care program in New York State?

New York State has identified **\$100 Million** to build and expand child care capacity to those areas with the least supply, utilizing funding from the American Rescue Plan Act (ARPA).

Learn more about this unprecedented opportunity by attending an informational session for your region on topics related to the Child Care Deserts grant and **available funding!** Get your **questions answered** about what steps you need to take to start the process of opening a child care program.

Information sessions are region specific, so be sure to register for a session in the region you will opening a child care program. If you have any questions, please use the Registration / Contact information provided next to the session. The Regional Economic Development Council (REDC) color-coded map below will help you select which session to attend.
