## APPENDIX M #1

Reasonable Distance, Recertification Period, Family Share, Very Low Income,  
Federal and Local Priorities (Required)**I. Reasonable Distance**

Define “reasonable distance” based on community standards for determining accessible child care.

1. The following defines “reasonable distance”: Cattaraugus County is a geographically large and rural. Employment is limited and often individuals drive outside of Cattaraugus county. The average commute time for families served by the day care unit is approximately 45 minutes. Reasonable distance is measured on a case by case basis and an hour for commute time is not unusual.

2. Describe any steps/consultations made to arrive at your definition: The day care unit and the temporary assistance unit met and discussed the definition. Specific case examples were used.

**II. Recertification Period**

The district’s recertification period for low income child care cases is every (select one):

six months     twelve months

**III. Family Share**

“Family Share” is the weekly amount paid towards the costs of the child care services by the child’s parent or caretaker. Your district must select a family share percentage from 10% to 35% to use in calculating the amount of family share. The weekly family share of child care costs is calculated by applying the family share percentage against the amount of the family’s annual gross income that is in excess of the State Income Standard divided by 52.

Family Share Percentage selected by the district 10%.

**Note:** *The family share percentage selected here must match the percentage entered in the Program Matrix in the Welfare Management System (WMS).*

**IV. Very Low Income**

Define “very low income” as it is used in determining priorities for child care benefits.

“Very Low Income” is defined as 200% of the State Income Standard.

**V. Federal and Local Priorities**

1. The district must rank the federally mandated priorities. Cases that are ranked 1 have the highest priority for receiving child care assistance. These rankings apply to case closings and case openings.

a. Very low income as defined in Section IV:  Rank 1     Rank 2     Rank 3

b. Families with incomes up to 200% of the State Income Standard that have a child with special needs and a need for child care:  Rank 1     Rank 2     Rank 3

c. Families with incomes up to 200% of the State Income Standard that are experiencing homelessness:  Rank 1     Rank 2     Rank 3

**CATTARAUGUS COUNTY – 2017 APU**

2. Does the district have local priorities?

## APPENDIX M #2

## Case Openings, Case Closings, and Waiting List (Required)

**I. Case Openings When Funds Are Limited**

If a social services district does not have sufficient funds to provide child care services to all families who are applying, the district may decide to open certain categories of families as funds become available. The district must open federal priorities first. If the district identified local priorities, they must be opened next. **After the federal and local priorities**, identify the basis upon which the district will open cases if funds become available. Check only **ONE** of the options listed below and describe the process for opening.

1.  Open based on **FIRST COME, FIRST SERVED**.

## CATTARAUGUS COUNTY – 2017 APU

**II. Case Closings When Sufficient Funds Are Not Available**

If a social services district does not have sufficient funds to continue to provide child care assistance to all families in its current caseload, the district may decide to discontinue child care assistance to certain categories of families. The district must close federal priorities last. If the district identified local priorities, they must be closed next to last. **After the federal and local priorities**, describe the basis upon which the district will close cases if sufficient funds are not available.

**If no priorities are established beyond the federally mandated priorities** and all funds are committed, case closings for families that are not eligible under a child care guarantee and are not under a federally mandated priority must be based on the length of time they have received services (must choose #1 below).

Check only **one** of the options for closing listed below and describe the process for closing.

1.  Close based on **AMOUNT OF TIME** receiving child care services.

Check **one** of the boxes below:

5.  Close based on **OTHER CRITERIA**.

Describe the criteria the district will use to select cases to be closed:

*The last cases to be closed will be those that fall under the federal priorities, ranking families with very low income first and families with special needs ranked second. Cases that are ranked first will be closed last.*

### APPENDIX M #3

#### Fraud and Abuse Control Activities and Inspections (Required)

---

##### I. Fraud and Abuse Control Activities

1. Describe below the criteria the district will use to determine which child care subsidy applications suggest a higher than acceptable risk for fraudulent or erroneous child care subsidy payments in addition to procedures for referring such applications to the district's front-end detection system.

The district will use the following FEDS indicators: working off the books, application inconsistent with prior case, prior history of denial, self-employment without adequate business records, documents or information provided are inconsistent with application, such as different name used for signature; post office box used without reasonable explanation, no absent parent information, prior application showing legally responsible relative who is not listed in the home during recent day care application.

2. Describe the sampling methodology used to determine which cases will require verification of an applicant's or recipient's continued need for child care, including, as applicable, verification of participation in employment, education, or other required activities.

Check pay stubs and hours of work, if hours of day care do not match hours of work we request clock in/out hours; acquire school schedules if within a 6-month period any case has not been reassessed for income, job change, schedule changes etc., then the child care unit will review the case and those cases will be recertified at the time of review if appropriate. This ensures 100% review of all case every 6 months.

3. Describe the sampling methodology used to determine which providers of subsidized child care services will be reviewed for the purpose of comparing the child care provider's attendance forms for children receiving subsidized child care services with any Child and Adult Care Food Program inspection forms to verify that child care was actually provided on the days listed on the attendance forms.

ACCORD Corporation will be reviewing cases, beginning with those which have had some concerning issues but were not disqualifiable at face value. ACCORD Corporation runs the child care food program for Cattaraugus County, and will ask Cattaraugus county for attendance with sampled providers. Again, ACCORD will begin to sample with any "questionable" situations, if any. Of the child care providers that participate in the child/adult care food program (CACFP), excluding day care centers, ACCORD will do site inspections on those providers who are enrolled in the (CACFP) program and whom it feels may be providing the Department with questionable child care information. After those providers are chosen (let us say that would be 10 providers), the Department will compare the site inspections reports sent to the day care unit of the remaining providers that also have children being paid through the block grant. The Department's day care unit will compare its time sheets with site inspections reports lists of children in attendance during inspections.

##### II. Inspections of Child Care Provider Records and Premises

## CATTARAUGUS COUNTY – 2017 APU

The district may choose to make announced or unannounced inspections of the records and premises of any provider/program that provides child care for subsidized children for the purpose of determining whether the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the social services district per 18 NYCRR §415.4(h)(3).

The district has the right to make inspections *prior to subsidized children receiving care* of any child care provider, including care in a home, to determine whether the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the district.

- Violations by a licensed or registered child care provider must be reported to the applicable Office of Children and Families (OCFS) Regional Office.
- Violations by an enrolled or enrolling legally-exempt child care provider must be reported to the applicable Enrollment Agency.

2a. Exceptions: There may be instances when the district may be unable to enact the additional standard, such as, the applicable person may reside outside of the district's jurisdiction, or the site of care may not be located within the district. In such cases, the district may create an exception to the applicability stated above.

**Note:** *The Child Care Facility System cannot track such exceptions and, therefore, the district remains responsible for notifying the applicable Enrollment Agency, using the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, that an additional standard is "not applicable" to the specific provider/person named on the referral list.*

Place a check mark below to show any exception to the applicability of this Local Additional Standard to programs or roles previously identified.

**CATTARAUGUS COUNTY – 2017 APU**

1. 2. The district distributes the Cattaraugus County Legally Exempt Family Child Care Additional Standard Acknowledgement Agreement form to applicants and recipients of child care services along with the LDSS-OCFS 4699, Enrollment Form for Legally-Exempt Family Child Care and Legally-Exempt In-Home Child Care.
3. 4. The Enrollment Agency documents receipt of the Cattaraugus County Legally Exempt Family Child Care Additional Standard Acknowledgement Agreement form in CCFS. In accordance with OCFS guidance and the specifics of this additional standard, the Cattaraugus County Legally Exempt Family Child Care Additional Standard Acknowledgement Agreement form is required for the enrollment packet to be considered complete. When the Cattaraugus County Legally Exempt Family Child Care Additional Standard Acknowledgement Agreement form is not received or not complete, the enrollment cannot progress and, in accordance with OCFS guidance, the packet will be withdrawn if the provider does not submit a completed Cattaraugus County Legally Exempt Family Child Care Additional Standard Acknowledgement Agreement form within the mandatory timeframes.
5. Through E-Notices and reports, the Child Care Facility System will notify the Cattaraugus County Department of Social Services of all enrolling/enrolled/re-enrolling family-child care providers for whom the additional standard process may be applicable. The Cattaraugus County Department of Social Services must run the LD Additional Standard Referral List in CCFS to obtain the list of enrolling/enrolled/re-enrolling family-child care providers for whom a determination of applicability is required.
6. The Cattaraugus County Department of Social Services must determine, for each family child care provider on the referral list, whether the additional standard for CACFP participation is applicable to the provider, as follows:

Applicable	The family child care provider provides care, on average, of <u>30 hours or more per week</u> .
------------	---

## CATTARAUGUS COUNTY – 2017 APU

Not Applicable	The family child care provider provides care at a site that is located outside Cattaraugus County. The family child care provider provides care, on average, of LESS THAN 30 hours per week

7. Cattaraugus County Department of Social Services must make the following notifications:
  - a. Notify the Enrollment Agency whether the CACFP participation additional standard is “not applicable” to each family child care provider on the Additional Standard Referral List.
  - b. Notify the applicable CACFP Sponsoring Agency of the name and contact information for each family child care provider who is required to participate in CACFP as determined in the previous step.

9. Cattaraugus County Department of Social Services obtains the status of the provider’s “participation” in CACFP from the CACFP Sponsoring agency in a manner agreed upon between the two agencies.
  
10. Upon receiving notification from the CACFP sponsoring agency, as to *whether the provider IS or IS NOT actively participating in CACFP*, the Cattaraugus County Department of Social Services determines whether the provider is meeting the additional standard as follows:
  - a. The Cattaraugus County Department of Social Services will consider the Cattaraugus County additional local enrollment standard of participation in CACFP to be **MET** when the legally-exempt family child care provider who provides care on the average of 30 hours or more per week; and

## CATTARAUGUS COUNTY – 2017 APU

  - iv. begins claiming CACFP reimbursement no later than the month following the sign-up date and continues to submit monthly claims to CACFP on a timely basis.
- b. Cattaraugus County Department of Social Services will consider the Cattaraugus County additional local enrollment standard of participation in CACFP to be **NOT MET** when the legally-exempt family child care provider is caring for a subsidized child an average of 30 or more hours a week, and the provider;
- i. does not submit a completed Cattaraugus County Legally-Exempt Family Child Care Additional Standard Acknowledgement Agreement form; and/or
  - ii. was not initially required to participate in CACFP due to providing child care for less than an average of 30 hours per week and fails to notify the EA of an increase in hours of care which would require the legally-exempt family child care provider to comply with the additional standard; and/or
  - iii. changes location of care and fails to notify the Cattaraugus County Department of Social Services, CACFP, and/or the EA of the change.
  - iv. refuses to sign up for CACFP; and/or
  - v. does not cooperate with any part of the CACFP enrollment process; and/or
  - vi. does not remain in compliance with the CACFP regulations; and/or
  - vii. fails to cooperate with any CACFP inspection or home visit; and/or
  - viii. fails to submit monthly claims to CACFP on a timely basis.
11. Cattaraugus County Department of Social Services informs the Enrollment Agency whether the additional local standard has been met by completing the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency and sending it to the Enrollment Agency within 25 days from the date the Cattaraugus County Department of Social Services received the CCFS E-Notice.

for Legally-Exempt Family and In-Home Providers, and Sleep (Optional)**I. Transportation**

1. Describe any circumstances and limitations the district will use to reimburse for transportation. Include what type of transportation will be reimbursed (public and/or private) and how much your district will pay (per mile or trip). Note that if the district is paying for transportation, the Program Matrix in the Welfare Management System (WMS) should reflect this choice.

No

Yes, describe:

**II. Differential Payment Rates**

1. Districts must complete the Differential Payment Rate Percent (%) column in the table below for each of the four (4) differential payment rate categories. For the two (2) categories that require a state minimum five percent (5%) differential payment rate, the district must enter “5%” or, if it chooses, a higher rate up to 15%.

The other two (2) differential payment rate categories in the table below are optional. If the district chooses not to set differential payment rates, the district must enter zero. If the district chooses to set a differential payment rate, enter the appropriate percentage up to 15 percent (15%). Note that if the district selects a differential payment rate for nationally accredited programs, then that rate must be in the range of five percent (5%) to 15 percent (15%).

<b>Differential Payment Rate Category</b>	<b><i>Differential Payment Rate Percent (%)</i></b>	<b>Instructions for Differential Payment Rate Percent (%) Column</b>
Homelessness: Licensed and Registered Providers <b>State required minimum of 5%</b>	5%	Enter a percentage (%): 5% to 15%. ( <u>Must</u> enter at least <u>5%</u> )
Homelessness: Legally-Exempt Providers	5%	Enter 0% or a percentage (%) up to 15%.

**CATTARAUGUS COUNTY – 2017 APU**

2. Payments may not exceed 25% above market rate. However, if your district wants to establish a payment rate that is more than 15% above the applicable market rate, describe below why the 25% maximum is insufficient to provide access within the district to accredited programs or care provided during non-traditional hours and/or care provided to children experiencing homelessness.

**III. Enhanced Market Rate for Legally-Exempt Family and In-Home Child Care Providers**

1. Indicate if the district is electing to establish a payment rate that is in excess of the enhanced market rate for legally-exempt family and in-home child care providers who have completed 10 or more hours of training annually and the training has been verified by the legally-exempt caregiver enrollment agency.

- On a short-term or emergency basis
- The caretaker's approved activity necessitates care for 24 hours on a limited basis

2. Describe any limitations on the payment of child care services that exceed 24 consecutive hours.

In Cattaraugus County, the field of home health care is one of the few fields open to many under-skilled people which pays a living wage. It is difficult for these people to attend the necessary unpaid training without assistance for child care. **CATTARAUGUS COUNTY – 2017 APU****IV. Breaks in Activities**

Two weeks                       Four weeks
