This new variable prioritizes one category per youth. Designated categories are prioritized in the following order: 1. Hispanic; 2. Black/African American; 3. Native American/Alaskan; 4. Asian/Pacific Islander; 5. White; 6. Other; 7. Unknown. Counts marked as "Missing Info".

Outcome Summaries

- Reports by domain
- Tables use youth end dates as counts

Feed Data into the Summary Tables

- After adding new data on the Provider Roster tab, click **Refresh All** under Excel's Data heading to update the summary tables.

- When recording data on the Provider Roster tab, be sure to use the drop-down menus when they're available or else the summary table formatting may be disrupted when you refresh your data due to incorrect entries/spelling.
- To ensure you're looking at the most up-to-date information in your summaries, it's a good idea to **Refresh All** before you review them each time.

Summary Features

The note about funding stream missing appears when the #served in the service counter is higher than the Total in Table 1; it's an indicator that you need to **refresh** your data.

Service Counter uses formulas to count the number of start and end date entries on the Roster tab

Summary Features

Use the summaries to identify where information is missing.

► Table 1. Total Youth Served by Domain

When (blank) Total is greater than zero, the line will highlight, indicating that responses are missing (e.g., 3 youth are missing a response on the Approved Service Domain variable).

Race & Ethnicity

► Table 5. Youth's Race and Ethnicity

Approved Service Domain (All) ▾

	STSJP #	%	STSJP-RTA #	%	Total #	Total %
(missing info)	1	14.3%	0	0.0%	1	14.3%
Hispanic	0	0.0%	0	0.0%	0	0.0%

Unknown	2	28.6%	0	0.0%	2	28.6%
Total	7	100.0%	0	0.0%	7	100.0%

In the summary table, youths' race and ethnicity have been combined, giving one response priority over others. A youth will be counted under missing information in the following scenarios:

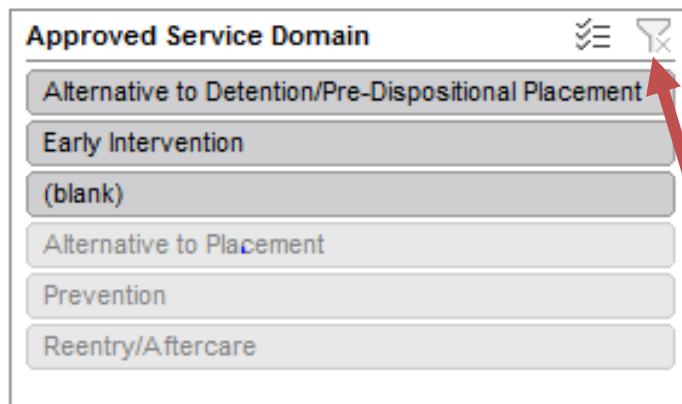

1. Ethnicity and Race have been left completely blank
2. Ethnicity is blank
3. Ethnicity is Non-Hispanic or Unknown and Race has been left completely blank
4. Ethnicity is Non-Hispanic or Unknown and Race is showing NO for all categories

Filtering by Domain in the Summary Tables

Most of the summary tables have a service domain filter above them.

- By default, youth served summaries show all service domains.
- Outcome summaries have the service domain preset to match the domain.

► Quick Filtering

- Domains recorded on the Roster tab will appear darkened on the slicer.
- Click which one you want to filter on/hold down the Shift key if you want to select multiple domains.
- Clear the filter by clicking the funnel in the top right corner of the slicer.

An error message will appear if you try to choose unavailable options.

Click OK and try a different option.

Filtering by Youth's Case Type in the Summary Tables

Some tables have a second filter for youth's case type. Adjust these manually using the filter above the table.
